

Employment Opportunity

We are currently seeking multiple Sport Program Coordinators to join our provincial team based in the following areas: Saskatoon, Regina, Lloydminster area and Meadow Lake area.

Sport Program Coordinators are responsible to engage and develop relationships with local schools and community groups with the goal to deliver rugby initiatives relating to physical literacy and physical education requirements. They organize rugby projects, youth summer camps, try rugby days and volunteer resources. They will also support the operation of sanctioned local and provincial competitions or special events.

Desired Qualifications and Skills:

- Excellent organizational ability and effective communication skills.
- Ability to prioritize workload and meet deadlines.
- Able to work and consult with a wide range of professionals and partners.
- Proven leadership skills with the ability to use initiative to achieve outcomes.
- Ability to work independently as well as a team setting.

To apply please send your resume and cover letter to:

Email: jobs@saskrugby.com with Sport Program Coordinator in the subject line

We'd like to thank all applicants for your interest in Sask Rugby, only candidates selected for interviews will be contacted.
